A man with dark hair and glasses, wearing a blue button-down shirt, is sitting at a wooden desk in a library. He is looking down and writing in an open notebook with a black pen. His left hand rests on the notebook. The background shows bookshelves filled with books and a large window with a view of a city. Floating around the man are several glowing yellow icons: two lightbulbs, two open books, and various mathematical symbols like plus, minus, multiplication, division, and equals signs. The overall atmosphere is one of intellectual pursuit and creative thinking.
